

Staff NCW Careers Champions

Job Profile and Description

A National Careers Week Staff Careers Champion is someone who actively embeds careers related learning into the curriculum in order to help students to see the links between their subjects and their future career options. They do this by working closely with the Careers team in school/college.

Duties and Responsibilities

1. A Staff NCW Careers Champion acts as a point of contact for the Careers leader within a department.
 - They will look for opportunities to incorporate careers related learning into subject lessons and share these with teachers in their department.
2. A Staff NCW Careers Champion acts as a point of contact for NCW Student Careers Champions.
 - They may support NCW student careers champions with their careers projects.
 - They may lead on organising talks or events with the support of student champions.
