

NCW Champions

School Year Plan

The NCW Champion school program can begin at any time during the academic year, but NCW champions will need to be recruited (or chosen) before Meeting 1, so time needs to be given for this to happen and for the student champions to be able to work on their projects and reach satisfactory conclusions. Meetings can take place virtually or in person.

Meeting 1

NCW champions to introduce themselves.

Careers Leader- Introducing your NCW Champions to the school's careers program, Gatsby Benchmarks and the NCW Champions program.

Homework - students to become familiar with resources currently available to support careers education in school and NCW resources. Different teams to research different aspects of careers education program.

Meeting 2

NCW champions to report back on program and resources.

Careers Leader facilitate discussion on what improvements could be made and how.

NCW champions to set personal goals that they want to achieve through the course of being NCW champions.

Meeting 3
